Date of Birth			Age (as of	f January 1) _			Year		
Revised: 11-28-16		4-H Club_							_

<b>~</b>	State and Owyhee County requirements This section is completed every year.	Notes	Date Completed	Leader Initials
	Own and provide proper housing, feed and primary care for your Cavy for at least 90 days.			
	Complete the Cavy Advancement Program. It consists of five programs, Steps 1-5. The Cavy Advancement Program must be included in your record book.	Records must be kept on all cavies shown.		
	Give an oral presentation or illustrated talk related to this project.	This can be done on the club or county level.		
	Complete a 4-H Involvement Report (just one combined report for ALL projects) and include with your Project Record Book	You may start a new report or add to your report from previous years.		
	Complete 4-H Animal Project Record Book	Project Book does NOT have to be included with your Project Record Book; however, a copy of the page(s) of each of your 7 activities should be included.		
	Participate in an Ethical Practices training or clinic	All youth are required to complete an Ethics activity each year.		
	Attend a Cavy clinic or show			
	Any supplemental forms required at the county level.	Enroll at 4honline.com and pay enrollment fee to your leader.		
	NOTE: Though not required, each member is strongly encouraged to participate in a judging contest.	•		
	Exhibit your completed Project Record Book			
	A poster (14" x 22") or display illustrating something you learned in the project this year, and/or exhibit your project animals in a Cavy Fitting and Showing class.	You may exhibit/display at the Owyhee County Fair or another location. Other locations must be pre-approved by the 4-H Program Coordinator.		
	Community Service Project	Must be done in Owyhee County.		
	Complete Steps 1-5 of the Cavy Advancement Program. You can take up to two years to complete each Step:	, ,		
	STEP 1 – 4-H Cavy Advancement Program  When you have completed 10 Skill Options and three Personal  Development Options, you qualify to complete Step 1.		Date Completed	Leader Initials
	<ol> <li>Identify, describe and tell the important characteristics of three breeds of cavies.</li> </ol>			
	<ol><li>Name, point out, and spell the following parts: shoulders, buck, rump, hip, nose, crown, chest, toes, and teeth.</li></ol>			
	<ol> <li>Describe the following undesirable characteristics of cavies: pointy head, excessive flab, pear-shaped body, flat crown, buck teeth, and broken teeth.</li> </ol>			
	<ol> <li>Describe the following: registered, pure bred, crossbred, parasite, pedigree, and wean.</li> </ol>			
	<ol><li>Explain what feeds are important for cavies. What fresh vegetables should you not give cavies? Why?</li></ol>			

6.	Demonstrate that you are willing to provide fresh water, feed, vitamin C and daily care for your cavy.		
7.	Keep a record of your cavy project including expenses and		
	income.		
8.	Describe a suitable cage for your cavy and how to set it up for use.		
9.	Describe what you might do for your cavy's protection during extremely hot or cold weather.		
10.	What does a baby cavy look and act like when it is first born?		
11.	Show and tell how to lift, hold, and carry a cavy.	1 1	
12	Make a report of your breed of cavy.		
12.			
V	STEP 2 – 4-H Cavy Advancement Program  When you have completed 10 Skill Options <u>and</u> three Personal  Development Options, you qualify to complete Step 2.	Date Completed	Leader Initials
1.	Name and describe three additional breeds of cavies.	//	
2.	Build a suitable cage, feeder or some other cavy equipment.		
3.	Demonstrate how to tell the sex of a young cavy at less than 3 months of age.		
4.	Explain how to breed a boar and sow (length of time	1 1	
	together, whether to remove boar during kindling, etc.)		
5.	Take part in a 4-H cavy judging contest.	1 1	
6.	Take part in a 4-H cavy showmanship contest.	1 1	
7.	Describe the following disease/ailments and their		
٠.	remedies: lice, mites, colds, bumblefoot, diarrhea,		
	salmonella, and broken teeth.		
8.	Describe the following undesirable conditions in a cavy:	1 1	
	malocclusion, pea eye, coat faults, torn ears, eye circles,		
	non-matching color in ears, feet and toes.		
9.	Describe the desirable characteristics of a cavy's ears,	1 1	
	type, crown, head, and eyes.		
10.	Start a library on cavy literature: books, magazines,		
	bulletins and 4-H material.		
11.	Explain the three major uses of a cavy.		
12.	Do a report on the history of the cavy.	1 1	
	STEP 3 – 4-H Cavy Advancement Program		
	When you have completed 8 Skill Options and four Personal	Date Completed	Leader
	<b>Development Options</b> , you qualify to complete Step 3.	·	Initials
1.	Keep a sow production record through at least three litters.		
2.	Explain breeding, heat period, conception, gestation, and	1 1	
	parturition.		
3.	Explain why cavies need fresh vitamin C and how much		
	they need daily. Name at least five different sources of	1 1	
	vitamin C for cavies. Describe the advantages and		
	disadvantages of each source.		
4.	What are several measures you can take to avoid	1 1	
	problems in pregnancy and birth?		
5.	What is the difference between fur and hair?		
6.	Invite and introduce a guest speaker to one of your club	, .	
	meetings (a local cavy breeder, a feed dealer, a judge, a		
	veterinarian, etc.)		
7.	Explain or describe three more diseases of cavies and	1 1	
	their treatment.		
8.	Describe fully "type" in a cavy.	/	
9.	What are "angel wings"? Where and how do they show up?	 	
	What is "condition" in a cavy? Tell what measures you can	 <u> </u>	
10.	take to improve it in your cavies.		

<ol><li>Cavies belong to the order Ro</li></ol>
