Dear Landowner,

The purpose of this letter is to invite you to attend the third public meeting concerning rezoning of land in areas from Marsing to the Sinker Creek area near Murphy. **The meeting will be held August 28th, 2019 from 6:00 to 8:00 pm in the Courthouse in Murphy.**

Owyhee County needs your input concerning the current land use zones and allowed uses in the unincorporated areas of the county from Marsing to the Sinker Creek area located near Murphy. **No lands within Marsing city limits are included in this process.**

Documents relevant to this process are available at the website listed below. If you haven't done so already, please take a few moments to let us know your thoughts. If you already submitted comments, we have those on file and they have been taken into consideration. Owyhee County continues to experience development pressures on agricultural lands. Your comments will help direct the path that Owyhee County takes regarding land use development. We appreciate your time and effort to help us better plan for the future of Owyhee County.

Over the next couple of months, we will be finishing up the public process for this area of the county. Information about the process is posted on the Owyhee County web site at <http://owyheecounty.net/departments/community-development/>. If you have any questions, please contact me at 208-495-2095 ext. 2.

Thank you,

Mary Huff, Administrator
