

OWYHEE COUNTY CLERK
PO BOX 128
MURPHY, ID 83650

January 6, 2020

To: All Interested Parties, Campers and Fair goers!

Owyhee County Fair Board and Owyhee County are currently working on obtaining an Idaho Parks and Recreation Recreational Vehicles Grant to develop the RV parking at the Owyhee County Fairgrounds in Homedale. This project would include a complete renovation of the existing area, with developed vehicle lanes, water and appropriate power hookups, as well as bathroom and shower facilities, all with ADA compliant access.

This is part of the overall plan to develop and grow our Fairgrounds for the future and our goal is to ensure that our Fairgrounds and facilities are safe and accessible to the public for many years to come.

The grant application and supporting documents are due to the IDPR by January 31st, so at this time we are asking all of the interested public, groups, clubs and all others that are interested in seeing our project proceed to join us with your support. We would appreciate a letter of support letter that we can submit with our application. ***Your support is crucial to the success of this project.*** Letters should include how you think the improvements would benefit the public and/or your personal use of the facility.

Please mail all letters of support or comments to Angie Barkell, Owyhee County Clerk, PO Box 128, Murphy, ID 83650 or email them to abarkell@co.owyhee.id.us or to Fair Board Manager, Ginger Loucks, PO Box 695, Homedale, ID 83628.

Thanks for your support and we will see you at the Fairgrounds!

Angela Barkell
