

OWYHEE COUNTY COMMISSIONERS MINUTES
June 24, 2020
OWYHEE COUNTY COURTHOUSE, MURPHY
OWYHEE COUNTY, IDAHO

Present during the meeting were Commissioners Hoagland and Merrick, Clerk Barkell, Road and Bridge Supervisor Phil Rittenhouse, Scott Wood, Amanda LaMott, J. Hanson and Joellyn Ross Hauer representing LHTAC, Matt Kriegel representing ITD, Brandon Keller representing Keller and Associates, Vance Henry and Steve Johnson representing Lochner.

Commissioner Merrick made a motion to approve a letter of support for Bruneau QRU for a grant application to the Idaho Emergency Medical Services Bureau to purchase a defibrillator. Commissioner Hoagland seconded the motion and it carried.

Brandon Keller with Keller and Associates and the members from LHTAC discussed the North Boulder Creek Bridge replacement project. They are planning on August 2021 for the design phase to be completed and to start construction in the spring or summer of 2022 as weather and road conditions permit. They will send monthly updates as the project proceeds but want to make sure the County has a voice in the project and any concerns are addressed. They will construct a shoofly during construction to provide access to the local area residents. The group left to do a joint inspection of the project. No action was taken.

There being no further business, the meeting was adjourned.

Dated this 6th day of July, 2020.
