BOARD OF EQUALIZATION NOTICE OF DECISION

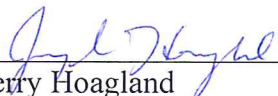

July 6, 2020

Eco Green LLC
c/o Tevis and Melissa Hodges
19433 Karcher Rd.
Caldwell, Idaho 83607

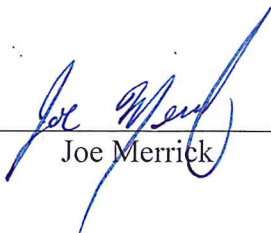

Dear Mr. and Mrs. Hodges:

As you know the sole purpose of the Board of Equalization (BOE) is to determine the value of a given property. Lacking any evidence to adjust the value, the BOE has taken Assessor Gruenwald's recommendation regarding Parcel RPB00000246110 located at 500 Kent Street, Marsing, Idaho and the parcel will be valued at \$183,437. The BOE feels this is an appropriate valuation for this parcel.

If you are not satisfied with the BOE's decision, you may appeal within 30 days from the date of mailing of this decision. Notice of appeal, stating the grounds for appeal, shall be filed with the County Clerk, who shall transmit to the Board of Tax Appeals. Any appeal that may be taken to the Board of Tax Appeals may (during the same time period) be taken to District Court for the county in which the property is located.
