Request Information to Consider:

- Request approval is not guaranteed. The fair board considers a variety of factors including but not limited to: fairground space, county residency, school district boundaries, school attending and previous participation in an Owyhee County Fair livestock project.
- All non-county residents are required to submit an exception request each year, by mail **submitted (postmarked) prior to January 1st**. No late entries will be accepted. PO Box 695 Homedale, ID 83628
- The fair board expects honest, factual information on each request as this is a staple character trait in both 4H and FFA.
 - Although initial approval may be granted to participate, if the above information is found to be false the exhibitor may be removed from the project and unable to show and/or sell their livestock project.
- This request will be approved or denied at the discretion of the Owyhee County Fair Board during the January fair board meeting.
